A Message from Sensei

Thank you to everyone for a wonderful year. It has been a year of a big changes for our dojo, with our change from the ICKF under Soke to the Canada Chito Kai under Higashi Sensei. With this came changes to how we do certain techniques and our grading system, but you have all persevered and help to make the transition easier on myself and all the Sempai's demonstrating the true Warrior Spirit, the name Yobukan stands for. Please keep up your hard work and continue to push through to help make yourselves and everyone around you better. I hope you all have a great summer with your families and I look forward to seeing everyone in September. Ganbatte kudasai!

From the Parent Association

Well, as another year ends for the summer, we would like to send a heart felt thank you to all of you who participated in our fundraisers, you have helped make them a success. We had a record breaking year with our bottle drives and all your hard work brought in just over \$11,000.00. Bravo everyone. We would like to wish you and your families a wonderful summer and see you all next September for our 10th year.

Always remember
 that white belts
 are potential
 black belts.
